

EPE 2020

11th INTERNATIONAL CONFERENCE AND EXPOSITION
ON ELECTRICAL AND POWER ENGINEERING

October 22-23, 2020

IASI, ROMANIA

**"Gheorghe Asachi" Technical University of Iasi
Faculty of Electrical Engineering**

On behalf of the Program Committee, it is a honour and pleasure to invite you to attend the 11th International Conference and Exposition on Electrical and Power Engineering - EPE 2020 to be held in Iași, Romania, on October 22-23, 2020. Organized by the Faculty of Electrical Engineering of Iasi and SETIS Association, the EPE Conference is now a tradition, being confirmed as an important international event in the electrical engineering area. It started in 1999 with the 1st edition. It is organized every two years with the intent of attracting a wide national and international audience from both academic and industrial communities. Contributions from all research communities working in the field of electrical engineering or in appropriate fields are welcomed to join our conference.

**Automotive
applications**

Electrical apparatus

Renewable energy

Automation and robotics

Power systems

Industry applications

**International Workshop on Advances in
Rehabilitation Engineering Applications**

Metrology and measurement systems

**3rd Workshop on Lighting: From Energy
Efficiency to Light Pollution**

Workshop on Internet of Things

**International Workshop with Industry on
Electromagnetic Properties of Materials and
Dedicated Applications**

The conference is technically co-sponsored by IEEE Romania Section and is included in the IEEE Conference database. All effectively presented papers that fulfill the Conference requirements will be submitted for inclusion into IEEEExplore.

Full fee, non-IEEE members	250 EUR	Includes attendance at all scientific programs, Proceedings in CD/DVD form, gala dinner, lunches and coffee breaks.
